# LIFE & DISABILITY

When moving abroad, we often think about getting insurance to cover healthcare expenses. Yet taking out **life & disability coverage** (death lump sum, sick leave benefit) is just as important!

The **Lifeplan'expat package** allows you to protect your family and provides you with **income replacement in the event of sick leave from work or infirmity**.

## ➤ DEATH/PERMANENT TOTAL DISABILITY LUMP SUM (COMPULSORY)

The death lump sum, of an **amount chosen by you**, will be paid to your beneficiary (or beneficiaries) in the event of your death. In the event of permanent total disability, this lump sum will be paid to you:

Lump sum of any amount between €25,000 and €1,000,000 in multiples of €25,000 (\$30,000 / \$1,200,000 in multiples of \$30,000).

*It is possible to double the amount of the lump sum to cover cases of accidental death (optional).*

## ➤ ADAPT YOUR COVERAGE WITH 2 OPTIONS:

### ➤ Infirmity Lump Sum All Causes

The infirmity benefit will be paid to you as a lump sum if the degree of infirmity is greater than 33% according to the scale set out in the plan:

Lump sum of any amount between €25,000 and €1,000,000 in multiples of €25,000 (\$30,000 / \$1,200,000 in multiples of \$30,000).

*It cannot exceed the level of the death lump sum selected.*

### ➤ Sick Leave benefit

This benefit allows you to maintain your level of income in the event of sick leave from work.

*You can choose between two types of benefits, as detailed below.*

## ➤ SELECT YOUR SICK LEAVE BENEFIT

Depending on your situation, you can **adapt your sick leave benefit**: duration of coverage, with or without a deductible, etc.

The amount of your daily allowance payable in the event of sick leave from work is based on your income. We advise you to **contact our sales team to help you** determine the amount of your allowance.

**“French-style” allowance**  
paid until retirement

**Payment of the allowance:** after a waiting period of 30, 60 or 90 days (to be selected).

**Duration:** allowance paid for 24 months, followed by the payment of a pension if the incapacity is recognized as permanent.

**“Anglo-Saxon-style” allowance**  
paid for a limited duration

**Payment of the allowance:** coverage from the 1<sup>st</sup> day of sick leave from work, or waiting period of 30, 60 or 180 days.

**Duration:** allowance paid for a maximum duration of 3 years.
