CFE Top-up individual policies

Please note that these plans are only available to individuals who are expatriated from France, Belgium, Luxembourg, the Netherlands, Switzerland or Monaco. These plans are not suitable for residents of Switzerland and of the UK. For the UK, please consider the Indigo Expat UK plan.

We have created three bundled packages specifically for individual clients which include a Core Plan, an Out-patient Plan and the Dental Plan. Please note that these plans are not available for sale separately. There are two optional plans which can be purchased with these packages: the Evacuation and Repatriation Plan and a Maternity Plan. A deductible is also available for the outpatient plans.

All limits indicated in the Table of Benefits correspond to the total sum jointly reimbursed by the CFE and Allianz Care. If the insured costs are not covered by the CFE, we will provide cover on a 1st Euro basis within the Terms and Conditions of your plan. As you are insured with the CFE, you are bound by their rules, even when on assignment. If you do not follow certain rules, coverage may be limited and you will not be able to get full reimbursement of your medical expenses.

Treatment Guarantee is required for all benefits indicated with a 1 or 2 in the following tables and may be required for other benefits. Please refer to note 2 within the "Notes" section for more information.

1 If Treatment Guarantee is not obtained for the benefits listed with a 1, we reserve the right to decline a claim. If the respective treatment is subsequently proven to be medically necessary, we will pay only 80% of the eligible benefits.

2 If Treatment Guarantee is not obtained for the benefits listed with a 2, we reserve the right to decline a claim. If the respective treatment is subsequently proven to be medically necessary, we will pay only 50% of the eligible benefits.

We should be contacted at least five working days before receiving treatment, so that we can ensure that there will be no delays at the time of admission. This will ensure that members benefit from cashless access to hospitals for in-patient treatment, where possible, and have their treatment overseen by our team of medical professionals.

If you have any queries, please do not hesitate to contact us:

Assurances INDIGO EXPAT
63, rue de Provence
75009 Paris,
France

In the case of an emergency, we should be informed within 48 hours of the event to ensure that no Treatment Guarantee penalty will apply to the claim.

The Treatment Guarantee Form is available to download from our website: www.allianzworldwidecare.com.

3. Claims process and turnaround

Allianz Care will seek reimbursement on your behalf from the CFE. You should send a fully completed Claim Form and relating invoices to Allianz Care and we will then submit these to the CFE. Fully completed Claim Forms are processed and payment instructions issued to the member's bank within five working days.

All limits indicated in the Table of Benefits correspond to the total sum jointly reimbursed by the CFE and Allianz Care. Allianz Care will only cover incurred charges that are usual and customary. The CFE reimbursement will be passed on to the member in full.

Please note that retirees whose reimbursements are settled by the CPAM of Tours, are required to claim from the CPAM of Tours prior to submitting their claim to Allianz Care. Please include details of any reimbursement received from the CPAM of Tours.

The Claim Form is available to download from our website : www.allianzworldwidecare.com

4. Benefit limits

There are two kinds of benefit limits shown in the Table of Benefits. The **maximum plan benefit**, which applies to certain plans, is the maximum we will pay for all benefits in total, per member, per Insurance Year, under that particular plan. Some benefits also have a **specific benefit limit**, for example "Nursing at home or in a convalescent home".

Specific benefit limits may be provided on a "per Insurance Year" basis, a "per lifetime" basis or on a "per event" basis, such as per trip, per visit or per pregnancy. In some instances we will pay a percentage of the costs for the specific benefit e.g. "90% refund, max. €350/\$500/CHF385". Where a specific benefit limit applies or where the term "Full refund" appears next to certain benefits, the refund is subject to the maximum plan benefit, if one applies to your plan(s). All limits are per member, per Insurance Year, unless otherwise stated in your Table of Benefits.

5. Policy terms and conditions

Please note that cover is subject to underwriting i.e. cover may be excluded for pre-existing conditions, or a higher premium rate may apply to reflect the higher risk due to pre-existing medical conditions or additional risk factors. Cover is conditional upon acceptance of your application, which is only confirmed when an Insurance Certificate is provided.

This Table of Benefits provides an outline of the cover we provide under each plan. Cover is subject to our policy terms and conditions, as detailed in our Individual Benefit Guide, which is issued to members upon policy inception. This Individual Benefit Guide can also be downloaded from www.indigo-expat.com.
